

Client Notification

Date: August 30, 2021

From: Wade K. Aldous, PhD, Disease Control Director, State Hygienic Laboratory

Effective Date: September 30, 2021

Test Discontinuation: Mumps IgM Antibody and Arbovirus IgM Antibody

Reason: Low specimen volume and alternate testing is available.

Mumps PCR buccal swab testing is available at SHL and Arbovirus IgM antibody testing is available at the CDC.

Thank you,

Wade K. Aldous, PhD, Disease Control Director
