2019 LABORATORY SYMPOSIUM

The State Hygienic Laboratory will hold the 52nd Annual Laboratory Symposium at the DMACC Student Center on the DMACC Campus in Ankeny in September.

This one day event is geared toward laboratory personnel involved in the water and wastewater fields. However, all interested parties are encouraged to attend.

The symposium will cover current rule and method updates, current topics, practical tips for use in the lab and breakout sessions.

Continuing Education Credits will be offered. Registration will be available on July 1, 2019 at www.shl.uiowa.edu
